

TECHNICAL SPECIFICATION

Applications Small Tractor / Mower

Description LG 306 is a lawn and garden tire suitable for mowers. In some sizes, LG 306 is also fit for transport operations with airport cruise cars and small tractors in municipality/maintenance applications. The specific tread pattern makes the tire gentle on the ground, easing handling at the same time. LG 306 is available in an "aramid-belted" version for users who need strengthened puncture resistance.
